I, Corinne Calfee, hereby declare as follows:

1. I am a shareholder of Opterra Law, Inc., located at 2907 Claremont Ave., Berkeley, CA 94705 (the "Firm").

2. PG&E Corporation and Pacific Gas and Electric Company, as debtors and debtors in possession (together, the "Debtors") in the above-captioned chapter 11 cases, have requested that the Firm provide commercial energy transactions and regulatory legal services to the Debtors, and the Firm has consented to provide such services (the "Services").

3. The Services include, but are not limited to, the following:

Commercial energy transactions; procurement, Federal Energy Regulatory Commission, and California Public Utilities Commission matters.

4. The Firm may have performed services in the past and may perform services in the future, in matters unrelated to these chapter 11 cases, for persons that are parties in interest in the Debtors' chapter 11 cases. As part of its customary practice, the Firm is retained in cases, proceedings, and transactions involving many different parties, some of whom may represent or be claimants or employees of the Debtors, or other parties in interest in these chapter 11 cases. The Firm does not

1 perform services for any such person in connection with these chapter 11 cases. In addition, the Firm  
2 does not have any relationship with any such person, such person's attorneys, or such person's  
3 accountants that would be adverse to the Debtors or their estates with respect to the matters on which  
4 the Firm is to be retained.

5 5. The Firm does not receive compensation from third party sources other than the Debtors  
6 for the Services.

7 6. Neither I, nor any principal of, or professional employed by the Firm has agreed to share  
8 or will share any portion of the compensation to be received from the Debtors with any other person  
9 other than principals and regular employees of the Firm.

10 7. Neither I nor any principal of, or professional employed by the Firm, insofar as I have  
11 been able to ascertain, holds or represents any interest materially adverse to the Debtors or their estates  
12 with respect to the matters on which the Firm is to be retained.

13 8. As of the commencement of this chapter 11 case, the Debtors owed the Firm \$0.00 in  
14 respect of prepetition services rendered to the Debtors.

15 9. The Firm is conducting further inquiries regarding its retention by any creditors of the  
16 Debtors, and upon conclusion of this inquiry, or at any time during the period of its employment, if the  
17 Firm should discover any facts bearing on the matters described herein, the Firm will supplement the  
18 information contained in this Declaration.

19 Pursuant to 28 U.S.C. §1746, I declare under penalty of perjury under the laws of the  
20 United States of America that the foregoing is true and correct, and that this Declaration and
